EXPRESSIONS OF INTEREST

Volunteer Opportunities

Expressions of Interest are sought from the University of Queensland (UQ) students and alumni who are seeking the opportunity to undertake some highly visible and rewarding volunteer work.

UQ will host the 25th International Olympiad in Informatics (IOI) at its St Lucia campus, from 6-13 July 2013. Formed under the auspices of UNESCO, the IOI is one of the most recognised computer science competitions in the world. The winners of the IOI are some of the best young computer scientists in the world; with teams from some 80 countries competing over 8 days. It is anticipated that well in excess of 500 international delegates will attend the event.
